**RE: EMERGENCY TRAVEL DOCUMENTS, EMERGENCY ASSISTANCE  
EMERGENCY SANCTUARY, EMERGENCY REFUGE**

**Dear Madam Chancellor Angela Merkel,**

This is with respect to our Emergency Fax that I Anthony Martini and I Annette Martini faxed to the Embassy of Germany on Friday, September 29, 2017.

*EMERGENCY TRAVEL DOCUMENTS, EMERGENCY SANCTUARY, EMERGENCY REFUGE  
LEGAL DOCUMENT  
From Anthony Martini and Annette Martini*

In that Emergency Fax that was faxed to the Embassy of Germany to the attention of **Ambassador Sabine Sparwasser** we clearly indicated that I Anthony Martini along with my wife Annette Martini were persecuted from the Country of Canada for decades and the persecution still continues and that we need Emergency Travel Documents to leave CANADA and we declared EMERGENCY SANCTUARY, EMERGENCY REFUGE with the Embassy of Germany and the Country of Germany.

I Anthony Martini clearly indicated that I am a Political Candidate for Prime Minister of Canada for 2019 BUT Canada has refused and will always refuse to give me any identifications or allow me to create a Political Party or even run for Prime Minister of Canada or even become a Prime Minister of Canada.

This Persecution from Canada has been going on for decades and will never end.

When I Annette Martini met my husband in 1998 and shortly afterward married my husband Anthony Martini the Canadian Government started to persecute me.

Madam Chancellor Angela Merkel the persecution included weekly beatings from the Canadian Federal Police (RCMP) and many attempted murders and several attempted of Political Assassination on my life all because of my Political Opinion and because I also witnessed 3 members of the Canadian Federal Police known as the RCMP – Royal Canadian Mounted Police that executed (murdered) an innocent man in cold blood when I was a reporter in Caracas, Venezuela being at the wrong place and wrong time. Then my life became a living hell.

Madam Chancellor Angela Merkel, I Annette Martini am now 8 Months Pregnant, and Canada and the Province of Ontario Canada has refused to give me any free medical and the hospitals in Canada were ordered by OTTAWA not to treat me or even deliver my baby.

LEGAL DOCUMENT  
From Anthony Martini and Annette Martini*

To my Entire Pregnancy hospitals have refused to give me an ultra sound and I was denied the legal rights to see a doctor or Obstetrician-Gynecologist. My husband Anthony Martini was also told that he better learn fast on Delivering our baby.

Madam Chancellor Angela Merkel, it would take thousands of pages in going into full details of all the Political Persecution and Physical Torture that I Anthony Martini went through in Canada for 4 decades.

Madam Chancellor Angela Merkel, it would take hundreds of pages for myself Annette Martini to explain all the persecution that I went through since I met my husband in 1998 and shortly afterwards married my husband Anthony Martini.

Madam Chancellor Angela Merkel, we need your Emergency Assistance in leaving Canada and going to Germany.

Our first choice was FRANCE and we communicated with FRANCE from 2009 to the current date but unfortunately FRANCE fell asleep on our case and did nothing and the persecution and torture continued and escalated from CANADA.

While we waited for the Country of FRANCE to assist us we were both kidnapped in California, United States of America on orders from Canada and I Anthony Martini was physically tortured for nearly 1 full year. Then I Anthony Martini and I Annette Martini were forced back to Canada against our will, so Canada would escalate the Persecution against us.

From September 18, 2013 to the current date CANADA has refuse to give us a Passports, Travel Documents to leave Canada a SIN (SOCIAL INSURANCE NUMBER) which is a Federal ID, Driver's License, Photo ID and FREE Health Coverage.

*From Anthony Martini and Annette Martini*

CANADA has refused for us to work, to travel in Canada or to Pay Taxes or Collect Taxes.

In 1985 Canada illegally without my knowledge stripped myself Anthony Martini out of Canadian Citizenship because I was the only witness that witnessed 3 Members of the RCMP (Royal Canadian Mounted Police) from the Canadian Embassy in Caracas, Venezuela who executed an innocent man in cold blood by me being at the wrong place and wrong time.

I also was a Reporter and I had information that the RCMP were shipping massive illegal street drugs like Cocaine and Heroin worldwide using diplomatic bags and diplomatic cargo through the Canadian Embassies and Canadian Consulates and for that my life became a living hell. The RCMP still ships massive illegal drugs to this day using Canadian Embassies and Canadian Consulates worldwide and especially through Europe.

In 1998, Canada illegally stripped me out of my Annette Martini Canadian Citizenship without my knowledge and without ever going to Court even though I Annette Martini was born in the Province of Quebec, Canada.

Madam Chancellor Angela Merkel, the Canadian Government stole over \$30 Million Dollars from my Bank Accounts years ago from myself Anthony Martini without ever going to court. This persecution has been going on for decades.

Madam Chancellor Angela Merkel, I Anthony Martini have plans to build the World's Next Generation of Computers, but I cannot build the next Generation of Computers in Canada because Canada will steal my companies and inventions and that is what Canada did all of my life.

Our Plans includes Germany, France, Italy, Spain and Switzerland of which we will be creating over 2 million jobs in less than 3 years in the High-Tech industry, Textile Industry and Construction Industry and these jobs will be highly paid positions.

However, we cannot do any of our plans until we permanently leave Canada. It is a shame that FRANCE fell asleep on our Emergency Case. However, we did receive communications in the past from the Minister of Foreign and European Affairs of France, from Madam Michèle Alliot-Marie and Mr. Laurent Fabius but again nothing was ever done, and we were forced back to CANADA when CANADA was involved in an International Kidnapping.

Madam Chancellor Angela Merkel, which ever country assist us in leaving Canada that is where we will open our Head Office and manufacture the Next Generation of Computers.

Madam Chancellor Angela Merkel, CANADA has violated International Laws, United Nations Laws and violated Human Rights Laws. Even Prime Minister of Canada Justin Trudeau refused to issue us Emergency Travel Documents to leave Canada which makes us a Political Prisoners of Canada which is a direct violation of International Laws and United Nations Laws.

Madam Chancellor Angela Merkel, Prime Minister of Canada Justin Trudeau is refusing for myself Anthony Martini and my wife Annette Martini to work, pay taxes, collect taxes, to travel, to have free health coverage, to have a driver's license, to have a photo identifications or to have any identifications in Canada which again is Political Persecution.

Madam Chancellor Angela Merkel, my Political Website of MARTINIFORPM.COM is only keeping my wife and I safe temporarily.

*From Anthony Martini and Annette Martini*

The Canadian Federal Police the RCMP hacks into my Political Site of MARTINIFORPM.COM every day and every night trying to illegally shut my Political Website down preventing me from creating a Political Party in Canada.

The RCMP illegally hacks into my other websites everyday where I try to make Money online selling advertisements to Attorneys and other business preventing me from making any money whatsoever.

Madam Chancellor Angela Merkel, we both know that if we were in Europe then we can succeed but without any Emergency Assistance and Emergency Travel Documents we cannot do anything at all.

It's just a matter of time when my Political Website will be down and our protection from my Political Website will be over.

Madam Chancellor Angela Merkel, I, Annette Martini need to immediately leave CANADA so our baby will be born in Europe and so I can get immediate Medical Care.

Canada has indicated that they will not give our Baby any medical treatments or give our Baby any identifications of any kind. The Province of Ontario, Canada has indicated that the province will not issue our Baby any Birth Certificate when our child is born and the hospitals in Canada has refused to treat me or even give me an Ultra Sound and the hospitals have refused to deliver our Baby.

Madam Chancellor Angela Merkel, I, Anthony Martini have been STATELESS since 1985.

Madam Chancellor Angela Merkel, I, Annette Martini have been STATELESS since 1998.

Madam Chancellor Angela Merkel, we both have to leave CANADA now and we both have to go to Germany now.

Madam Chancellor Angela Merkel, if we are forced to stay in Canada then I Annette Martini and my husband Anthony Martini will be forced to go to the EMBASSY OF GERMANY to deliver our Baby at the EMBASSY so our Baby will be born in Germany so our Baby will have a Birth Certificate and Citizenship. Please do not put us in that Emergency Position.

Madam Chancellor Angela Merkel, again I Anthony Martini and I Annette Martini are declaring EMERGENCY SANCTUARY, EMERGENCY REFUGE with the Country of Germany and also with you personally Madam Chancellor Angela Merkel and also with the EMBASSY OF GERMANY.

Again we are need the immediate Protection from Germany against Canada and we need Emergency Travel Documents to leave Canada forever.
